

Cavalier Agrow

"Growing With 2020 Vision"

Position: Agronomy Apprentice

Application Deadline:

Application Method: Submit to employer by e-mail
careers.cavalier@sasktel.net

About Our Company

Cavalier Agrow is a multi-outlet, full service, independent crop input retail which services North-West Saskatchewan. We are recognized by our customers, business partners and peers as leaders in agronomy and crop production. Our core values are built around trust, relationships, passion for agriculture, and providing agronomic guidance to our customers. We strive to maximize grower profitability using tools such as: Cavalier Agrow's 4 Rules of Business Agronomy, the Field Scout Apprentice Program, the agPROVE trial program and precision agriculture initiatives like the iFARM program. Utilizing advances in technology has been instrumental in the success of our customers.

Job Information

Position Type:	Summer Employment
Job Title:	Agronomy Apprentice
Job Location:	Meota, Medstead, Meadow Lake, Spiritwood
Number of Positions:	10
Position Start Date:	May 01, 2020
Hours Per Week:	40

Duties and Responsibilities

The applicant will work closely with sales, agronomy and operations staff while assisting in field scouting, soil sampling, grower inquiries, tours and field days, among other duties. Safe operation of Cavalier Agrow equipment is essential.

Targeted Degree and Disciplines

Agriculture and Bioresources

Student: First year through final year

Qualifications

We are looking for candidates who have a passion for agriculture and are eager to learn. The applicant should be pursuing a degree or diploma in agriculture, business or a related field, e.g. Agronomy, Plant Science, Biological Science, Soil Science, or Environmental Studies. Preference is given to those who have completed their first year of education.

The individual must be highly motivated and have the ability to work well independently and as part of a team. Time management, the ability to communicate well and computer skills are all essential. Valid driver's license and a good driving record are required.

Benefits/Perks

We offer a competitive salary as well as a flexible work environment that promotes family & fun. This position will provide an outstanding opportunity for students to gain practical in-field experience prior to completing their post-secondary education.
